

DILARA İSAOĞLU

Software Engineer

ABOUT ME

- My name is Dilara İsaoglu, I'm a freshman in Istanbul Aydın University.
- I'm a hardworking, consistent, straightforward person, I like to take my time when it comes to doing things in order to get a good result, and I'd like for things such as: projects, assignments, documents, etc. to be perfectly organized and easy to understand.
- My goals for this academic year and the upcoming academic years are:
 - To work hard.
 - Do all my assignments and homeworks and submitting them on time.
 - To work consistently and study my subjects right on the spot in order for me to be able to gather all the information I need before they get piled up.
 - Get good grades so that I could be accepted in my dream job.
- My hobbies are:
 - Playing video games.
 - Cooking and baking.
 - Playing with street cats (cats in general.)
 - Resting and sleeping.

And this sums up a brief
biography about me.
Thanks for reading <3
